ECF CASE

ORDER APPROVING PLAN OF ALLOCATION OF NET SETTLEMENT FUND

This matter came on for hearing on September 17, 2013 (the “Settlement Hearing”) on Lead Plaintiff’s motion to determine whether the proposed plan of allocation of the Net Settlement Fund (“Plan of Allocation”) created by the Settlement achieved in the above-captioned consolidated securities class action (the “Action”) should be approved. The Court having considered all matters submitted to it at the Settlement Hearing and otherwise; and it appearing that notice of the Settlement Hearing substantially in the form approved by the Court was mailed to all U.S. Settlement Class Members who or which could be identified with reasonable effort, except those persons or entities excluded from the definition of the U.S. Settlement Class, and that a summary notice of the hearing substantially in the form approved by the Court was published in *Investor’s Business Daily* and was transmitted over the *PR Newswire* pursuant to the specifications of the Court; and the Court having considered and determined the fairness and reasonableness of the proposed Plan of Allocation.

IT IS HEREBY ORDERED, that:

1. This Order approving the proposed Plan of Allocation incorporates by reference the definitions in the Stipulation and Agreement of Settlement of Class Actions dated April 30, 2013 (ECF No. 172-1) (the “Stipulation”) and the Declaration of Hannah G. Ross in Support of (A) Lead Plaintiff’s Motion for Final Approval of Class Action Settlement and Plan of Allocation, and (B)

Lead Counsel's Motion for an Award of Attorneys' Fees and Reimbursement of Litigation Expenses (ECF No. 182) (the "Ross Declaration") and all terms not otherwise defined herein shall have the same meanings as set forth in the Stipulation or the Ross Declaration.

2. The Court has jurisdiction to enter this Order approving the proposed Plan of Allocation, and over the subject matter of the Action and all parties to the Action, including all U.S. Settlement Class Members.

3. Notice of Lead Plaintiff's motion for approval of the proposed Plan of Allocation was given to all U.S. Settlement Class Members who could be identified with reasonable effort. The form and method of notifying the U.S. Settlement Class of the motion for approval of the proposed Plan of Allocation satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure, the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 77z-1(a)(7), due process, and all other applicable law and rules, constituted the best notice practicable under the circumstances, and constituted due and sufficient notice to all persons and entities entitled thereto.

4. Copies of the Notice, which included the Plan of Allocation, were mailed to over 42,800 potential Class Members and nominees and only one objection to the proposed plan was submitted. The Court has considered the objection and found it to be without merit.

5. The Court hereby finds and concludes that the formula for the calculation of the claims of Claimants as set forth in the Plan of Allocation mailed to U.S. Settlement Class Members provides a fair and reasonable basis upon which to allocate the proceeds of the Net Settlement Fund among U.S. Settlement Class Members with due consideration having been given to administrative convenience and necessity.

6. The Court hereby finds and concludes that the Plan of Allocation is, in all respects, fair and reasonable to the U.S. Settlement Class. Accordingly, the Court hereby approves the Plan of

Allocation proposed by Lead Plaintiff.

7. There is no just reason for delay in the entry of this Order, and immediate entry by the Clerk of the Court is expressly directed.

SO ORDERED this 17th day of September, 2013.
